10 The G.O. to refd to above seems to direct that officers in St I shd be supplied with copies of Vol I., & those in ^{SA} St II may be supplied with copies ^{of Vol I} if available, or with abridged editions of the M.A.C. This will make it a matter of chance whether any officer in St II receives Vol I M.A.C., or the abridged M.A.C.

11 Has any action been taken re: the issue of an abridged M.A.C.? The Comptroller had given his opinion that such an edition was unnecessary.

12 If an abridged edition is to issue, it may be issued early, & all officers in ^{SA} St II be supplied with these, if they have not recd. copies of M.A.C. Vol I already.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. G. 43-102—G. M. 42-21-4, dated 21st December 1922.

Mysore Account Code, Vol. I.

Appends a standard list of offices to which copies of — may be supplied.

READ—

Government Order No. 1681-1730—E. A. G. 415, dated 8th March 1920, revising the standard lists for the distribution of printed copies of Government Orders so as to ensure that all offices in the State get copies of all Standing Orders of general applicability and prescribing three standard lists showing the distribution of the Government Orders with instructions regarding their distribution to offices included in the lists.

2. Correspondence ending with letter No. 6802—R. 1323, dated 26th January 1922, from the Comptroller to Government requesting that a standard list of offices to which copies of the Mysore Account Code can be supplied, be prescribed, and forwarding a list of offices to which the several volumes of the Mysore Account Code may be supplied and stating that an abridged edition of the book is not necessary, and that it will be published in his office on payment of suitable honorarium, if Government think it quite necessary.

RECEIVED 12/12/22

ORDER NO. G. 43-102—G. M. 42-21-4, DATED 21ST DECEMBER 1922.

The Comptroller's proposals for prescribing a standard list of offices to which copies of the Mysore Account Code can be supplied are approved and a list as proposed by him regarding the distribution of several volumes of the Mysore Account Code is appended to this order (Statement I).

All the other offices as per Statement II appended to this order will have money transactions at least to some extent and it will be inconvenient if they are not supplied with books. Government are therefore pleased to direct that these offices also may be supplied with Volume I of the Mysore Account Code if a sufficient number of copies is available. The Comptroller will also make arrangements to publish an abridged edition of the Mysore Account Code giving only articles or chapters of general applicability and supply them to offices in Statement II to which copies of Volume I of the Mysore Account Code cannot be spared from the existing stock.
